Subject: Response to Imidacloprid Registration Review Data Call-in
RR-129099-30160

Registration: EPA Reg. No. 228-512

Dear Mr. Ehresman,

The Agency has received your 90-day response to the data call-in (RR-129099-30160). In your response, you claimed a formulators' exemption for your imidacloprid product. After reviewing the current registration file, the Agency will grant a formulator's exemption for EPA Reg. No. 228-512. No further submissions are necessary to satisfy the requirements of the registration review data call-in (RR-129099-30160).

If you have any questions, please contact Rusty Wasem of my staff at wasem.russell@epa.gov or (703) 305-6979.

Sincerely,

A handwritten signature in blue ink, appearing to read "Neil Anderson", is positioned below the word "Sincerely,".

Neil Anderson, Chief
Risk Management & Implementation Branch I
Pesticide Re-evaluation Division
